

New Sunday School Class

On 19 September, the adult bible-study class *Seekers* will begin a study on transforming conflict from the book, *The Spirit and Art of Conflict Transformation*. Bob Dixon and Sonny Bray will facilitate. If you are interested, please let them know.

Transforming conflict into a positive rather than a negative force is a spiritual pursuit and needs to be grounded in biblical principles: love of God, neighbor, and self.

Conflict is a given in human relationships. The question becomes, how does one best behave in response to this inevitable reality? Too often conflict results in retribution or the desire to blame someone. This class will explore “the better path”—the path of listening, of inviting others to a common table and of seeking ways to restore relationships that have been shattered. Peace building is seen for what it is, careful, prayerful labor that sometimes allows those who are fortunate enough to join the process to see God’s activity among us.
